Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Discussed nature of keyword extracting unit and examiners suggested proposed clarifications to this structure. For clarification, discussed possible clarification "...presence or absence of an updating area of the obtained information". Also discussed keyword extraction being triggered by update. Applicant's representative pointed out that event collecting destination site and information collecting destination site were two distinct sites. Examiners will reconsider claim 1 on this point. Applicant will take suggestions under advisement. Also suggested drafting claims, 8, 18 and 28 as independent claims. .
